Name of the Project: WeCARE Phase-1: Jhinadah-Jashore Highway (N-7) Improvement Project

Name of the Project		WeCARE Phase-1: Ibinadah-Jasho	ore Highway (N-7) Im	provement Pro	viect	2			
Project Director's	ŀ	WeCARE Phase-1: Jhinadah-Jashore Highway (N-7) Improvement Project Name: Md. Zabid Hasan							
Information	ŀ	Phone No.: 02-41024871 Mobile: 01313-092171							
Location of the Project	:	Jhinadah and Jashore District.							
Objectives of the Project	:	he primary goal of the project is to upgrade the existing Jhenaidah- Jashore road to a 4-lane divided							
, , ,		highway with the provision of slow-moving vehicular traffic (SMVT) lane on both sides. This road							
	*	section is an important part of Asian Highway (AH) Ah41. SAARC Highways corridor (CHC)							
		SHC4/SHC8 and BIMSTEC road corridor (BRC) BRC4, BRC8. which connects SHC9 at Bonpara.							
		AH2 as well as SASEC Road Corridor (SRC) SRC9. at Hatikamrul. On the other end it intersects with AH1, SHC1. SHC5. SRC 4, SRC 5, SRC 9, BRC 1, BRC5 and Bangladesh-China-India-							
		Myanmar Corridor (BCIM) al Jashore end. 'This corridor leads traffic from northern/western part of the country towards the Benapole. Bhomra land port and Mongla sea port. This section is also an							
		important part of Bangladesh-Bhutan-india-Nepal (BBIN) cargo route. These international economic							
		corridors provide international traffic to several land ports and sea ports. Also, through these							
		corridors, there will be cross border movement of goods and passengers. Development of this road							
		will enhance facilitation of faster and safer onvements of passenger and cargo.							
		* Enhanced road and digital connectivity between major trade gateways i western Bangladesh and							
		the eastern and northern parts of the country (inclurig to Bhutan, Nepal and NER India)							
		* Establishing Sub-Reional connectivity through Western Economic Corridor.							
		* Providing better acessbility to land ports, Export Processing Zones (EPZ), Economic Zones (EZ).							
		*To promote new investments in the areas and economic growth.							
· · · · ·		* To enhance activities which contribute to the growth of GDP in Bangladesh, devepolment of							
		industries, prmoting new investments in the corridor influence areas. Generating huge comployment							
		and over all improvement of socio-economic condition.
