Dhaka Integrated Traffic Management Project(DITMP)
Dhaka South Nagar Bhaban (13th Floor), Fulbaria, Dhaka-1000.

Memo: DTCA/PD/DITMP/LTC/28/2016-95

Date: 10 /01/2016

Request for Expression of Interest (EOI)
For
Local Technical Consultant
(DITMP-SD2)

Dhaka Transport Coordination Authority has been allocated a grant from the Government of the People's Republic of Bangladesh towards the cost of the Dhaka Integrated Traffic Management Project (DITMP) and it intends to apply part of the grant to the payments for the provision of consultancy services for the project by hiring a Local Technical Consultant.

2. Scope of Tasks/Service

Tasks /Responsibilities of local Technical Consultant are as follows:

- (1).Responsible for making project schedule, maintaining good correlation with the government counterpart personnel , different public agency/ authority and JICA experts, Construction supervision and assistance in preparing all the procurement documents(TOR, Bill of Quantity, cost estimation, tender documented) of hiring other consultancy company/agency/contractor for the completion of the project
- (2). Procurement for each contract package will be carried out in accordance with JICA and Bangladesh Government Guidelines on Procurement. After discussion with the concerned local authorities, RTHD and Donor agencies, initial preparatory works for procurement will be carried out by the consultants. The consultants' tasks will include advertising, issuing documents, responding to queries, receiving and evaluating applications, and other necessary procurement assistance.
- (3). The consultants will also prepare an Engineering implementation schedule in consultation with concern authorities for the subsequent project that will reflect, where necessary, the different approaches to be adopted for international and domestic civil works as well as electrical works contracts.
- (4). Prepare the bidding documents for Procurement of Civil Works.
- (5). Prepare the bidding documents for Procurement of Publicity Agency for the publicity of this project.
- (6). Prepare the bidding documents for Procurement of Wiring/ Cabling Works (Underground / above the ground) and installation of ITS equipments.
- (7). Any other works as directed by the Project Director.

3/5
