Among them 3 Nos. tenderers quoted prices are same & 10% less than the official cost estimate and they scored same points (1000) according to past performance evaluation and rating matrix for different aspects. Among them MKE and BCCL JV possessed highest turnover. The quoted rate of the winning tenderer MKE and BCCL JV seems to be reasonable and workable in respect of the prevailing market price. So, the tender evaluation committee (TEC) unanimously recommending the evaluated price of Tk 150946426.980 in favour of MKE and BCCL JV for kind approval."
