

	Twin shaft mixer	Capacity: 1000kg/batch	1
		Mixing time 18s; cycle time 45s	
		Power: 18.5kw*2	
	Bitumen spraying pump	Power:5.5kw	1
7. Pneumatic System	Air compressor	Exhaust: 3.7Nm³/min	1
		Power: 22kw	
	Air storage tank	Volume: 2000L	1
8. Control System	Electrical motor control system		1
	Aggregate temperature control system		1
	PLC burner control system		1
	PLC weighing control system		1
	PLC mixing control system		1
	Control room size: 4000*2200m*2300mm	Control cabinet	2
		Operating platform	1
		Voltmeter	1
		Ammeter	1
		Printer	1
		Operation interface 10.4"	1
		Air condition	1
9. Additional supply	Accessories		1
	Working tools		1

II. COMMERCIAL TERMS:

2.1 Delivery Time:

30 working days after receiving advanced payment or 100% Original irrevocable L/C at sight

2.2 Terms of Payment:

T/T; 30% advanced payment, 70% balance payment before shipping

L/C, 100% Original irrevocable L/C at sight
