Actually Taz Monzil is Non-responsive as it does not fulfil the requirement of ITT15.1(b).. It has been corrected and corrected evaluation report has been prepared. At this stage, it is not possible to correct the responsiveness of Taz Monzil status in the e-GP system (i.e. TER2). However this has no effect in the selection process and to determine the winning Tenderer. As per instructions, detailed Evaluation sheet has also been corrected for Tender Capacity amounts. The corrected evaluation report along with Tender capacity calculation sheet are hereby uploaded for your kind consideration and approval of the Tender.</p>
